WELCOME TO THE 2021 ARTIOS AWARDS!

Tonight for the first time ever, CSA is gathering our members, creative and professional partners, our families, industry supporters, and lovers of entertainment from across the globe, together for one combined virtual ceremony. We're thrilled you're joining us this evening to honor our casting professionals.

The past year's outstanding contributions to story-telling, entertainment, and the economics of "show business" deserve acclamation and peer recognition, and in that respect, even with the challenges of the past year, the 36th Artios Awards will be no different. The creativity has continued, and so the celebration will as well.

And in addition to our commitment to casting excellence, we are proud that our industry-leading members and CSA as an organization, are also helping to change diversity and access narratives, both artistically and professionally, by furthering those conversations and actionable goals.

On behalf of the Board of Directors and our Boards of Governors in New York and Europe, thank you for your commitment to outstanding work, our casting community, and for your support of CSA.

Congratulations to our 2021 honorees, and to all of this year's Artios Award nominees.

Enjoy the show!

**The Actors Fund,
for everyone
in entertainment.**

THE ACTORS FUND

ROSALIE JOSEPH HUMANITARIAN AWARD

The Actors Fund has provided support and financial assistance to professionals in entertainment and the performing arts—not only actors—for 139 years.

But 2020 was like nothing else.

When the pandemic virtually shut down our world, Actors Fund staff mobilized quickly to address critical needs.

Thanks to an unprecedented show of support from the entertainment industry, by the end of the year, ***The Actors Fund provided over \$18 million in emergency grants to more than 15,000 people around the country—9 times the amount they provide in an average year.*** This included funds from seventeen other performing arts and entertainment industry partners who turned to The Actors Fund for distribution assistance.

As 2020 drew to a close, Actors Fund Chairman Brian Stokes Mitchell said, “The Actors Fund is a shining example, a beacon, of what we human beings can do and be when we choose to collaborate with each other, to help each other—together, we all get to become a part of one of the solutions that the world definitely needs right now.”

Our industry is forever indebted to The Actors Fund, not just for the heroic work during the pandemic, but for the incredible support they provide year after year after year to all of us in the entertainment community. CSA is honored to award them with this year’s ***Rosalie Joseph Humanitarian Award.***

Tiger Spice Chai® was David Rio's second chai creation but first to be named in the Endangered Species Chai Line. To commemorate the creation of Tiger Spice Chai®, David Rio began donating to the Cat Tales Zoological Park in 1999 and adopted Thor, the first of three Bengal tigers we would support for the duration of their lives. Through the adoption, we gained a deeper understanding of the plight of tigers and have taken on this cause as our commitment to the conservation of endangered species. Training and Education

Recognizing the need for additional training opportunities in the field of casting, Casting Society of America, through its charitable 501c3 and educational arm Casting Society Cares, created the Training and Education Program to provide training for the next generation of casting professionals and address the lack of equity within our profession for those interested in pursuing a career in casting.

We are committed to ensuring that the program is as equitable as possible and with classes resuming this year virtually, we now, more than ever, need your support! We usually have several students looking for scholarships and would like to offer as many as we can.

THANK YOU to everyone who has donated so far in support of scholarships.

If you are interested in our scholarship program or receiving our available student list, please reach out to Katrina Wandel George at trainingandeducation@castingsocietycare.org.
