## About

Taylor is a very hard working, entrepreneurial type who possesses a strong desire to bring people together. He has found his role as a casting director to be a perfect fit. He excels at matchmaking talent, agencies and video production companies, making his clients very happy. Taylor is a loyal, caring, and dedicated human, focused on brightening other people's day!

## Experience

### Aura Casting, 2020 - Present

Founder and Casting Director

Inspired by the pandemic, Taylor founded Aura Casting as a convenient way to cast remotely. Taylor now spearheads a team of 4, who work alongside executive producers across the country to find quality talent for features, commercials, and print.

### Corduroy Media, 2019 - 2020

In-House Casting Director and Producer

Taylor worked with in-house executive producers and directors to find the best talent for national commercials. One campaign consisted of finding 183 actors, and he singlehandedly cast this project with joy and ease.

### THL Productions, 2017-2019

Executive Producer and Casting Director

Taylor started his own production company, where he produced, directed, and edited projects for notable clients such as Guitar Tricks. He worked closely with his clients when casting projects to ensure their satisfaction.
